NURSERIES & GARDEN CENTRE

STORE GUIDELINES

Temporary Measures for a Safe Shopping Experience

If you are sick, or someone in your home is sick, please **STAY HOME**.
You will not be granted entrance to the store if you are sick.

All customers must wear a protective mask or facial covering that covers nose and mouth while inside the greenhouse or office area.

All Shoppers must sanitize their hands before they enter the store. Sanitizer will be available at the entrance.

Each shopper must use one of our sanitized carts. We ask that you shop in small family units.

Public restrooms will not be available. Plan your trip accordingly.

Do not bring food or drink into the store. This includes coffee cups.

Limit your stay to 1 hour or less.

Practice social distancing in the store. Stay 6' apart and follow all markings on the floors.

We can currently accept debit, credit or gift cards. We are again accepting cash payments

Please Note: While operating with reduced staff, garden centre attendants may not be able to provide the time and attention you are used to from us. All sales are final, so choose your purchases wisely. The side doors will be closed, the entrance and exit are clearly marked. There may be a wait as we will be limiting the number of customers in the Garden Centre at a time. Thank you for your continued support. We can't wait to see you soon!
